## PACING

For Distance Races:

### **Wavelight Pacing Lights for all races 800 and up.**

- **1500:** Top 12 heats per gender (Invite)
- **5000:** Top 4 heats per gender (Invite)
- **10000:** Top heat per gender (Invite)
- **3k SC:** Top 1 or 2 heats per gender
- **800:** We will work with coaches on finding pacers for up to 5 heats / gender

**NOTE:** One goal is to find athletes willing to come back and pace from various teams while also helping those willing athletes into heats that suit them for their primary race. Coaches, if you are reaching out for adjustments or favors, please know that 1. It is very hard to accommodate everyone and 2. Offering your help in having athletes pace in exchange for adjustments within reason goes a long way.

For the fastest heat in the 3k SC, 5k and 10k we do have **funding available** for post-collegiate athletes interested in pacing. Email Ayrton Ledesma-Isenock w/ inquiries at [aisenock@apu.edu](mailto:aisenock@apu.edu)
